

## Annex 3

## Monitoring framework for the development plan

Sustainability Appraisal objectives	Proposed significant effects indicators
<p><b>1: Landscape and environment:</b> To protect the special qualities and natural beauty of the Dartmoor National Park</p>	<ul style="list-style-type: none"> <li>• Total area of moorland</li> <li>• Total area of blanket bog</li> <li>• Total area of woodland</li> <li>• Total area of the National Park classified as tranquil</li> </ul>
<p><b>2. To manage flood risk sustainably:</b> To manage flood risks sustainably, recognising the role of land use in reducing flood risks</p>	<ul style="list-style-type: none"> <li>• Number of existing buildings within Flood Risk Zone 3</li> <li>• Number of planning permissions granted contrary to the advice of the Environment Agency on (i) flooding and (ii) water quality grounds</li> </ul>
<p><b>3. Biodiversity:</b> To conserve, protect and enhance the habitats and aquatic and terrestrial biodiversity</p>	<ul style="list-style-type: none"> <li>• % (by area) of Sites of Special Scientific Interest in favourable or unfavourable recovering condition</li> <li>• Change in BAP priority species by type (Southern Damselfly, Marsh Fritillary, Vigur's Eyebright)</li> </ul>
<p><b>4. Built environment:</b> To enhance the attractiveness and local distinctiveness of the built environment by raising the quality of design and sustainable construction</p>	<ul style="list-style-type: none"> <li>• Design Review Panel recommendations</li> </ul>
<p><b>5. Historic environment:</b> To protect and enhance sites, areas and buildings and landmarks of archaeological, historic, cultural and/or architectural interest</p>	<ul style="list-style-type: none"> <li>• Total number of listed buildings at risk</li> <li>• Total number of scheduled monuments at risk</li> <li>• Total number of conservation areas at risk</li> </ul>
<p><b>6. Land resources:</b> To concentrate and diversify development by optimising the use of previously developed land, infrastructure, under-used land and vacant properties</p>	<ul style="list-style-type: none"> <li>• Total area of housing development completed on previously developed land (and as % of total developed area)</li> </ul>
<p><b>7. Sustainable resource use:</b> To reduce the consumption of non-renewable sources of energy, water and minerals</p>	<ul style="list-style-type: none"> <li>• Number of permissions granted (and total number of applications) for renewable energy development by type (solar panels, wind turbines, micro-hydro, biomass)</li> <li>• Production of primary land won aggregates (Minerals indicator)</li> </ul>
<p><b>8. Water quality:</b> To protect and improve water quality</p>	<ul style="list-style-type: none"> <li>• Percentage of monitored river length in Dartmoor National Park achieving 'good' or above water quality (Water Framework Directive)</li> </ul>

## Monitoring framework for the development plan

Sustainability Appraisal objectives	Proposed significant effects indicators
<p><b>9. Waste:</b> To reduce the amount of waste generated within the National Park and to minimise the environmental effects of waste disposal</p>	<ul style="list-style-type: none"> <li>Percentage of household waste sent for reuse, recycling and composting (South Hams/ Teignbridge/ West Devon, Mid Devon) (Waste Indicator)</li> </ul>
<p><b>10. Sustainable transport:</b> To reduce traffic congestion and noise, and improve safety, health and air quality by reducing the need to travel, especially by car</p>	<ul style="list-style-type: none"> <li>Average August daily traffic flow across 8 cordon roads</li> <li>Number of Air Quality Management Areas within Dartmoor National Park (and number within 10 km)</li> </ul>
<p><b>11. Economy:</b> To promote sustainable economic growth, particularly of key business sectors, and to utilise employment land and premises effectively and efficiently</p>	<ul style="list-style-type: none"> <li>Net annual change in (i) primary services and facilities in classified settlements and (ii) secondary services and facilities in classified settlements</li> <li>Number of businesses in Dartmoor National Park by sector</li> <li>Growth rate of the Dartmoor Economy (and local/national)</li> </ul>
<p><b>12. Education and employment:</b> To enable all residents to share in growing prosperity by improving access to training, education and job opportunities</p>	<ul style="list-style-type: none"> <li>Unemployment rate (JSA claimant rate) in Dartmoor National Park</li> <li>Average household income in Dartmoor National Park</li> </ul>
<p><b>13. Housing:</b> To ensure that all of the National Park's residents have access to a good quality, affordable housing</p>	<ul style="list-style-type: none"> <li>Average house price in Dartmoor National Park area</li> <li>Affordability (ratio of average house prices to average household income)</li> </ul>
<p><b>14. Community health, safety and well-being:</b> To safeguard and improve community health, safety and well-being</p>	<ul style="list-style-type: none"> <li>% of Dartmoor National Park residents very satisfied or fairly satisfied with their local area as a place to live</li> <li>Community perception of crime: (a) % of Dartmoor National Park residents who feel fairly safe or very safe when outside in their local area after dark (b) % of Dartmoor National Park residents who feel fairly safe or very safe when outside in their local area during the day</li> </ul>
<p><b>15. Village centres:</b> To strengthen the role of village centres to reduce the amount that people need to travel</p>	<ul style="list-style-type: none"> <li>Net annual change in (i) primary services and facilities in classified settlements and (ii) secondary services and facilities in classified settlements</li> <li>% of DNP Super Output Areas in lowest quartile of the Indices of Deprivation Barriers to Housing and Services domain</li> </ul>
<p><b>16. Inclusiveness and participation:</b> To take account of the needs of all sectors of the community in the planning and design of new development</p>	<ul style="list-style-type: none"> <li>Number (and %) of classified settlement recently or currently engaged in preparing village appraisals, village design statements, parish plans or neighbourhood plans</li> <li>% of people who agree that they can influence decisions in their local area</li> </ul>
