

Can you be a History Hunter?

Follow the History Hunters trail and collect the Bronze Age symbols that reveal 4,000 years of history.

Use the map to find the symbols, then make a rubbing in the boxes on the other side of this sheet. Claim your History Hunter badge from the Visitor Centre when you have collected all six symbols.

Waymarker with Bronze Age **Archaeological Site Marker** on top and **engraved symbols** that can be found on the side.
