### **Strategic Policy 7.1 (2) – Settlement Boundaries and Development Sites**

Objections are lodged to the proposed settlement boundary for Buckfast which excludes land off Abbey Grange, Buckfast (see attached plan). It is considered that the site represents a logical extension to the settlement with clearly defined and defensible boundaries whilst not impacting on the character of the National Park.

It is therefore requested that the land be included within the settlement limits of Buckfast.

### **Non Allocated Sites**

Objections are made to the non allocation of land off Abbey Grange, Buckfast for residential development. The site is well related to the existing settlement limits and access can be achieved to the requisite standards off Abbey Grange. The site is well contained by trees and hedges and would represent a logical extension to the settlement. The site is sustainable and available for housing and would not have a detrimental impact on the character of the National Park.

It is therefore recommended that the site be allocated for residential development.
