Issues Paper Consultation (Dec 2016)

The following summarises issues identified by the Parish Council:

- *Community facilities should be protected from loss*
- *Prioritise local need and affordable housing development*
- *Ensure there are affordable options for elderly population to down-size*
- *Encourage self-build proposals and occupation of holiday homes during winter months*
- *Encourage employment uses on settlement fringes and where transport access is sufficient*
- *Concern impact of second home ownership on housing affordability and viability of services*
- *Support policy limiting size of residential extensions, subject to discretion*
- *Concern over frequency and accessibility of public transport*
- *Allow sensitive development, including farming diversification and those supporting local employment*
- *Support new farming generations*

Infrastructure delivery

We are aware of the following items of infrastructure which are needed and have a reasonable prospect of being funded in the next 20 years:
