Sites allocated for development in current local plan:

No sites allocated for development

No new residential units have been delivered on other sites since 2008

No recent housing survey to identify local need for housing

Issues Paper Consultation (Dec 2016)

No comments received from Parish Council. The following summarises issues identified by residents:

- *Support viability of local businesses and services which are vital for success of community*
- *Continue to prioritise local and affordable housing development*
- *Continue to control the size of domestic extensions and replacement dwellings*
- *Development should be distributed throughout local centres and rural settlements; support for allocating small infill developments which deliver affordable housing*
- *Concern that increased development in local centres reduces viability of rural services*
- *Concern that Authority's design preferences are overly restrictive and produce compromised designs*
- *Encourage incorporation of biodiversity into developments*
- *Concern about congestion on narrow roads*
- *Concern about impact of large recreational events on quality of National Park*

Infrastructure delivery

We are aware of the following items of infrastructure which are needed and have a reasonable prospect of being funded in the next 20 years:

- *Completion of Wray Valley Trail between Steward Wood and Bovey Tracey, due to be completed by 2019.*
