1. This Notice is issued by the Authority because it appears to it that there has been a breach of planning control, within paragraph (a) of Section 171A(1) of the above Act, at the land described below. The Authority considers that it is expedient to issue this Notice, having regard to the provisions of the development plan and to other material planning considerations. The Annex at the end of the Notice and the enclosures to which it refers contain important additional information.

2. The Land to which the Notice Relates

Land at Steward Farm, Moretonhampstead, in the County of Devon ("the Land"), as shown edged red on the attached plan marked Plan A ("the Plan").

3. The Matters which Appear to Constitute the Breach of Planning Control

4. Reasons for Issuing this Notice

The Authority considers the Development constitutes an unjustified visual intrusion that adversely affects the character and appearance of this part of the National Park.
