Ashburton Town Council consider that 80% staircasing of a shared ownership house is acceptable but that 100% staircasing is not.

Ashburton Town Council are concerned that 100% staircasing within our local centre because this will lead to right to buy and therefore loss of affordable housing to the community unless the housing is put in the hands of the Community Land Trust.

No indication that any open market housing needs to be completed within 3 years of being given permission

Ashburton Town Council believe that any open market or intermediate housing built should be completed and marketed for sale within 3 years of obtaining planning permission. This restriction is vital to ensure that land is not "land banked" to increase the house builders profits and encourage house price increases within the National park.
