- Please tell us which paragraph/policy your comment relates to: 6.1.7

- Do you consider the Local Plan to be sound?: No
- Do you consider the Local Plan to be compliant with the duty to co-operate?: Yes

- Please tell us why you have answered yes and/or no to the questions above:

I believe that it should be considered that any mining activity is restricted in the size/power (i.e. 20 tonne excavator, 10Tonne Dumper) of the machinery, this would reduce the environmental impact and ensure that more local operatives were used in the mining process.
- What modifications do you consider necessary to make the Local Plan legally compliant and/or sound?:

I believe that the environmental impact of allowing any size of machine to mine on Dartmoor does not reflect consideration for the environment both ecologically or economically.
- Do you wish to participate in hearing session(s)?:

No, I do not wish to participate in hearing session(s)
- If you answered yes to the hearing session(s), please tell us why you consider this to be necessary:

I do not understand why one should be precluded from hearing sessions and have to justify why one should be, is this not a public right? NOTE ALSO THAT AFFORDABLE HOUSING SHOULD BE BASED ON 6 TIMES LOCAL AVERAGE INCOME, NOT 80% OF MARKET VALUE. THIS POLICY EXCLUDES YOUNG PEOPLE FROM BUYING IN THEIR VILLAGES
