compliant with the duty to co-operate?:

- Please tell us why you have answered yes and/or no to the questions above:

The Plan is sound and compliant and in particular I support your policy 4.8 (2) on Telecoms Development but I am very concerned about the roll-out of 5G masts and the Government's recent announcements that planning permissions will not be required for these. I think as a National Park you should insist on an exemption from this unlimited roll-out and ensure that local people and parish councils are consulted at first-stage planning application level. Checks and balances need to be maintained to protect our landscape.

- What modifications do you consider necessary to make the Local Plan legally compliant and/or sound?:

•

- Do you wish to participate in hearing session(s)?:

No, I do not wish to participate in hearing session(s)
