Dear Sir/Madam

Dartmoor National Park Local Plan – SEA Scoping Report and HRA Screening

DNPA is reviewing its local plan and intends to prepare a new local plan including strategic and development management policies and minerals and waste. Work is currently underway to review the existing strategy and policy approach, and undertake evidence base studies to inform the new local plan.

As part of the local plan process we are undertaking a Strategic Environmental Assessment and Habitats Regulations Assessment. Please find attached the SEA Scoping Report and HRA Screening Report for consultation in line with Regulation 12(5) of the Environmental Assessment of Plans and Programmes Regulations 2004.

I would be grateful if you could send any comments to forwardplanning@dartmoor.gov.uk.

Yours sincerely

Clare Reid
