 Local Plan to be: No

compliant with the duty to co-operate?:

- Please tell us why you have answered yes and/or no to the questions above:  
Recent local road closures have shown that the A382 is not capable of sustaining much additional traffic due to the many narrow and extensive sections of this road. So two observations:- 1. Allowing major developments in either of the local centres along this road will give rise to significant issues, 2. The DNP do not seem to have consulted properly with the relevant highways authorities to put in place a plan to resolve this situation.
- What modifications do you consider necessary to make the Local Plan legally compliant and/or sound?:  
Insufficient consultation with other authorities
- Do you wish to participate in hearing session(s)?:  
No, I do not wish to participate in hearing session(s)
- If you answered yes to the hearing session(s), please tell us why you consider this to be necessary:
